## **3 Days Fishing in Big Timber Montana**

Late July through August dates to be arranged

Limit to 2 persons per trip with the winning bid and losing bid both qualifying.

*Note: I would prefer a couple weeks apart between the groups.*

### **Provided:**

- 2 float days on Yellowstone River focusing on lower section near Big Timber
- 1 Day wade fishing Boulder River stretch
- Stream side lunches
- Transportation to and from Billings or Bozeman Airports if needed.
- Great company!

### **Not Included:**

- Montana Fishing licenses
- Accommodations (I will provide recommendations for lodging if needed.)

---

Optimally the best time to fish the Yellowstone River is after high runoff and the river begins to clear up which generally occurs from mid-July on.

The Boulder River also fishes well as soon as water clears. Conditions are very unpredictable at times but as I have always felt the best time to go fishing is whenever you can get away.

*Recommend lodging in Big Timber and there are several campsites as well.*
