Accommodations

The Gold Miners Inn, features rustic comfort in the Sierra Nevada gold country. Our stylish rooms feature art that evokes the region and comfortable beds made up with premium linens. Our one-of-a-kind hotel sits in Grass Valley, in what once was a bustling chaos of mine claims, saloons and miners camps during the 1849 California Gold Rush.

Restaurant Descriptions

Tofanelli's is Nevada County's popular destination spot for breakfast, lunch, dinner...or simply enjoying cocktails from our full bar. We offer a great choice of the best local and California wines, delicious appetizers, an extensive breakfast and lunch menu, fine dining after 4pm and fresh air on our award-winning, charming outdoor patio.

Three Forks Bakery & Brewing Co serves wood-fired pizza, craft beer brewed in our 7 barrel brewhouse, regional wines, hard cider, artisan breads, baked goods, soup, salad, sandwiches, fresh drinks, loose leaf tea, espresso and coffee.

The Thirsty Barrel offers 30 taps of constantly rotating craft beers, great local wines, and great food to compliment both. With his passion for craft beer and wine combined with masterful cooking techniques and great relationships with local farmers, chef James Herzig is excited to help open Grass Valley's brand new Thirsty Barrel Taphouse & Grille putting his unique and fresh twist on pub fare.

Notes

The Dry Fly Workshop is geared for the fly angler looking to increase their skill set with technical presentations and a thorough understanding of the big picture of surface feeding trout. You'll learn about about the intricate details of hatches from the 4 main aquatic insects found on a river, plus leader formulas, successful fly patterns, rigging, equipment needs, tactics, techniques, and an informative hand out that keeps teaching well after the workshop is completed. The Lower Yuba River will be our venue which is the perfect classroom to make you a better angler, master these trout and you'll be able to fish anywhere with confidence.
