CONEJO VALLEY FLYFISHER MEMBERS,

As you are aware, the membership dues do not cover all the expenses of the club. To pay for the speakers, conservation support, and other club activities, we need to raise additional funds. In order to raise this needed money, it is necessary to have auctions/raffles and other fund raisers which brings me to my request.

Would you please donate 24 flies to the club in the box provided. I would like one dozen dry flies all the same pattern and size and one dozen nymphs all the same pattern and size. You may select any design or model you choose. You may tie the flies, select from your fly collection or buy the flies. We will then take the flies and place them in several large fly boxes with 125 flies per box. A box will be given to the Federation for the conclave auction, another box for Cal Trout, another box for TU, another box for the Malibu Steelhead, and the remaining several boxes for the club raffles/auction. These special patterns you select will be arranged in Wheatley English fly boxes and will be very desirable to own.

Please have the flies available for the June meeting and give to Dan Millis or myself.

Thank you for your support of our club.

Sincerely,

Bob Kieling
